| 9 | Promote new businesses into the Mora area. This would bring jobs, jobs bring wages and taxes, growth comes from this base. Stop closing out business opportunities because of a few on city council want to protect their personal businesses. City leaders are supposed to consider what's best for everyone in the area not a select few . Enough with the dollar discount stores and second hand stores. They have a place but they should not dominate the landscape and that's exactly what we have in Mora. Not one of these locations pays a living wage. You will never attract investment into the Mora area where all you have are secondhand stores to shop at. | 11/5/2019 3:27 PM |

| 32 | Most businesses close by 5 or aren't open weekends, inconvenient hours on weekends, etc. Which is understandable, don't stay open when not busy. We would prefer to spend our money locally, but business owners now-a-days want a work-life balance and not spend their life working especially on Saturdays. | 9/26/2019 8:47 PM |

| 39 | Too many of the downtown businesses close in later afternoon and early evening. Many of the consumers are working during that time or commuting back and forth from work. When the businesses close in Mora it drives the consumers to do their buying in neighboring communities. | 9/25/2019 4:27 PM |

| 58 | more bike trails / bike lanes in town; add and repair sidewalks | 10/4/2019 8:23 PM |
| 59 | Fix sidewalks on Union Street. I don't go for walks since I need to walk on the streets and we have some speeding drivers who don't use their brakes at corners. | 10/4/2019 6:46 PM |
| 60 | repave history center lot and parts of bike trails | 10/4/2019 6:23 PM |
| 61 | more places to lock your bikes - like library, retail businesses, downtown Mora | 10/4/2019 6:15 PM |
| 62 | more sidewalks around town | 10/4/2019 6:01 PM |
| 63 | Fix the potholes and the "bumps" at the end of driveways. | 10/4/2019 5:54 PM |
| 64 | Maintained sidewalks along main street. They are very rough and heaved in spots. Additional sidewalks could be added | 10/4/2019 5:21 PM |
| 65 | more bike "lane" areas painted on city streets to remind kids especially to pay attention to where they are riding AND remind drivers to watch for bikes, and paint on the downtown sidewalks to say NO BIKES and then enforce it. (I was almost run over by a kid on a bike riding fast on the sidewalk on Union Street by Railroad Ave and was injured slightly just by trying to avoid being hit, although that was a far better outcome than had I been hit because I would have been severely injured. Not happy!) And this also speaks to the parents, teachers, and peers who need to teach and support each other to be safe and follow the rules that are there for a reason ... | 10/4/2019 6:54 AM |
| 66 | Bikes should not be ridden on sidewalks or crosswalks. Maybe bike lanes on the street? | 10/3/2019 8:41 PM |

| 74 | Doesn't apply to me. | 10/1/2019 4:09 PM |
| 75 | Not needed. | 10/1/2019 3:51 PM |
| 76 | I think our current trails and roadways are fine for pedestrians and bicyclists. There are a few areas where if a pedestrian is on the roadway walking it might get a little tight if you meet another car, but learn to share the road, we don't live in a big metropolis, we live in small town Mora. | 9/27/2019 4:35 AM |
| 77 | Focus that money on streets and stop wasting tax payer money! | 9/27/2019 12:46 AM |
| 78 | Fix the uneven and almost dangerous sidewalks on Union, add sidewalks to the bikepath/trail areas that are concurrent with city streets or do a better job of maintaining the trails. PATCH and/or REPAIR the crumbling paths. Pedestrian wise, many city sidewalks have uneven spots that one trips on if not careful, this also creates holding areas for ice in cold months. Very dangerous for an elderly person trying to get exercise. | 9/26/2019 8:52 PM |
| 79 | There's only one crosswalk/light on 65, and sections without any service road or sidewalk. Im amazed more People don't get hurt attempting to cross the highway. | 9/26/2019 7:14 PM |

| 82 | We desperately need sidewalks and bike lanes/trails. Our community needs to get healthy! | 9/25/2019 5:57 PM |
| 83 | Overpass to cross 65. Multiple pedestrian crossings along 65 | 9/25/2019 5:47 PM |
| 84 | More Sidewalks | 9/25/2019 5:45 PM |
| 85 | Make sure they are upgraded and safe for now and for growth in the future. | 9/25/2019 4:34 PM |
| 86 | Number one concern is pedestrians walking along 65/23 with no barrier from traffic. Make the sidewalks connect through city streets, currently there are some sidewalks that just end without connecting to another sidewalk area and are useless for walking. Making the city more walkable is the number one improvement the city could make for health and safety. | 9/25/2019 4:29 PM |
| 87 | Hwy 65 crossing needs to be addressed | 9/25/2019 4:22 PM |
| 88 | another spot to cross by the highway | 9/25/2019 3:54 PM |

There are but two playgrounds and they are inadequate. Some of the best recreation is provided by the Vasaloppet organization and the Classic Series affiliates. | 118 | Limited. The Wellness Center offers insight walking and some classes but they are all on TV and some have issues with getting a background check due to the lack of policy on record keeping. Hunting, fishing, enjoying the lakes although there isn't a nice local place to swim in the area and fit some reason the new resident on ther west side of Mora Lake has blocked the access to the lake although it's within 100 feet of a road right away and by DNR definition should be accessible. The local brewery, winery and cidery of those things interest a person. Local parks, geocaching, our trail system is nice. | 9/27/2019 4:45 AM |

| 126 | Best by far is the Mora classic/motion series, it is a major driver of community health and keeps my family inspired to keep healthy. Swimming at the aquatic center is ok, however the pool closes too early in the season to take full advantage of the investment in infrastructure needed. The hospital provides fun recreational opportunities in 5k runs, but they are not as well advertised for people as could be. | 9/25/2019 4:35 PM |

| 15 | The city is going to look very typical of every other small town with Kwik Trip, Dollar General, etc. We need another retail store where Shopko was. | 10/24/2019 1:17 PM |
| 16 | A community that is willing to grow and explore within; trails and roads to everywhere to meet all stages of life. | 10/23/2019 2:47 PM |
| 17 | Miss having a store like ShopCo to fill in shopping needs. Like that we have changes going on ie. - hospital, new stores. Keep bringing in businesses. | 10/22/2019 6:42 PM |

| 30 | a bit bigger | 10/15/2019 7:25 PM |
| 31 | I do not think Mora will need nor can afford 3 new schools. The trend is less children born, more private schools, many public school systems downsizing or closing. New large schools are a long term financial mistake. | 10/15/2019 7:18 PM |
| 32 | businesses to provide jobs are needed | 10/15/2019 6:50 PM |
| 33 | Probably not much change. Need a new modern school to attract businesses and residents. | 10/15/2019 6:46 PM |

| 53 | It could be a thriving artisan destination because everyone in the younger generations makes items and grows real food in sustainable ways. The rest of the world is out of clean water and soon oxygen as well. Eyes will turn here. We can lead other communities to become sustainable or be bought by Nestles. | 10/11/2019 6:04 PM |

| 56 | I'm optimistic for Mora based on any improvements listed in this questionnaire. As an outsider coming here, I see many good things - a friendly community and many caring people. | 10/11/2019 4:44 PM |
| 57 | Going to become more of a retirement community. Careful what we build because that will be our tax base. | 10/11/2019 4:31 PM |

| 64 | More trails or add bike / walk lanes for walkers / bikers. Also more shopping centers and a large workout facility. I think many people (esp young people) would use a large updated workout facility. | 10/9/2019 7:47 PM |
| 65 | have none | 10/9/2019 7:38 PM |
| 66 | In ten years Mora should have a new high school on 9th Street. The old high school will be torn down and in its place will be a very nice housing complex with a beautiful lakefront park. A pedestrian / bike pathway will connect the existing pathway at 65 & 9th Street around the east and south sides of Mora Lake. Mora should also have its own clothing / department store. Another pipe dream: Mora Municipal Utilities should buy or lease enough acreage for a solar power garden, lessening dependence on other generators. | 10/9/2019 7:16 PM |
| 67 | higher taxes for no reason to pay!!! | 10/9/2019 6:43 PM |

| 79 | I would like to see the stretch of businesses on 65 to mirror the updated hospital construction - not run down or empty businesses. And the smoke shop and its nasty sign would be gone. I would like to see thriving businesses and an increase in events. | 10/7/2019 11:41 PM |
| 80 | More sober people than using. Town grows for better stores and opportunities. | 10/4/2019 9:21 PM |
| 81 | hopefully a better school facility to attract families; a new store that sells clothing and other necessities that are not here now | 10/4/2019 9:08 PM |

| 93 | Still a small-town extended-family-feel community with less than 5,000 people or so, and such a cool place to be that all generations feel at home and young adults love their life here. A destination for creative arts experiences/shopping and holistic healing opportunities. Economic sustainability and balance, with innovative employee-owned anchor businesses that leverage technology to provide goods and services collaboratively with other local businesses; our success is a model for other small communities to thrive. Property taxes, if not completely abolished for residential homesteads, are transparently based on the real cost of residential services provided while the taxes on business are fair and still are enough to cover the actual services they receive. Leadership embraces change AND critical thinking/checks and balances, and exists to empower all citizens; the citizen-created Town Charter is inclusive, heartfelt, and expansive—the compass used to guide us into our future. (and yes, I'm still sore about my property tax quadrupling in the 3 years I've been here; why are my tax payments more than my mortgage now? Something's gotta give!) | 10/4/2019 8:19 AM |
| 94 | The same, but hopefully I will be retired and out of here by then. Somewhere warm where I can possibly afford to live and the property taxes aren't so outrageous! | 10/3/2019 8:54 PM |

| 98 | would like to see a really good restaurant - too many fast food places now; another grocery store - Coborn's prices are too high | 10/3/2019 1:59 PM |
| 99 | More developed with many restaurants and grocery stores to choose from | 10/3/2019 1:51 PM |
| 100 | I would love to see a more bustling center with businesses and activities but in reality, I imagine they will build a bypass to ease congestion on 65/23 and the town will turn into a ghost town. | 10/3/2019 1:49 PM |
| 101 | Hopefully we have a new high school and some new businesses. | 10/3/2019 1:40 PM |

| 107 | Not sprawling, not a chemical dependency treatment magnet or social welfare destination. | 10/1/2019 3:53 PM |
| 108 | Division of haves/have nots will not be as large. The perception of life will be more realistic. That people will realize the potential I. mora AND work towards achieving it. | 9/28/2019 2:04 PM |
| 109 | More business (but not too much, we don't want to be Cambridge) Affordable options for groceries! More activities scheduled on weekends to get people out and about and get our downtown booming. And for heavens sake someone do a total revamp of the fair! | 9/27/2019 5:04 AM |
| 110 | Something cleaner and more respectable then it is now | 9/27/2019 12:50 AM |
| 111 | To welcome young families from all sorts of backgrounds and ethnicities with enough houses for them to live in. And to have enough living spaces for older folks, like apartment buildings. | 9/26/2019 9:01 PM |
| 112 | It is going to hell in a handbasket-not sure that a new and improved hospital will help it now... | 9/25/2019 6:10 PM |
| 113 | To be visually beautiful. To utilize our beautiful lakes with community beaches. To see people out and about using sidewalks and bike trails. To raise the morals of the community. | 9/25/2019 6:03 PM |
| 114 | Place place that Mora HS graduates return to with their college degrees to live in a Beautiful small town | 9/25/2019 5:54 PM |
| 115 | Hoping not to be here.. | 9/25/2019 5:53 PM |
| 116 | All schools are in the same place, more activities for children indoors, and less empty business buildings. | 9/25/2019 5:50 PM |
| 117 | A walkable city with younger and older workers coming from other communities for jobs. An airport supporting the community well, with an FBO operating. A variety of small restaurants with healthy food. I would like a city that emulates all of the qualities of a city like Duluth, in a small town. | 9/25/2019 4:48 PM |
| 118 | Consistent controlled growth in all phases of the marketplace. Business, housing, retail, education, and senior living are great places to start. | 9/25/2019 4:41 PM |
| 119 | not much different than it is now | 9/25/2019 4:38 PM |
| 120 | More desirable of a community, higher standard of living, less thrift stores and dollars stores, better business opportunities, more retail/shopping | 9/25/2019 4:37 PM |
| 121 | Fully accessible town adequate handicap parking | 9/25/2019 4:19 PM |
| 122 | fun downtown that attracts tourists | 9/25/2019 3:57 PM |

| 2 | Nice for us to give our thoughts about our community. | 11/15/2019 7:34 PM |
| 3 | Why not ask "Of people you know who have moved INTO Mora, what do you think their main reasons were?" | 11/15/2019 5:19 PM |
| 4 | Restriction of parking vehicles on street. E.g. Vehicles only used in summer months and parked 24 x 7 until snow falls (only to be used occasionally). Speed bumps on some residential streets (children walk to school and people think the streets are for speeding, cutting corners, driving in the middle of the street and not paying attention to pedestrians). Using side streets for thru traffic. | 11/15/2019 5:03 PM |
| 5 | Mora is the last stop on 65 heading north until McGregor. I believe we need to do whatever it takes to convince good businesses to open/expand in our town. If we make it convenient for people to stop and shop here they will. We have a strategic location for anyone heading north let's take advantage of it. Every dollar spent means more revenue for our community. Common sense Will tell you if we have more revenue and we have the key to improve and build on our city. | 11/5/2019 4:10 PM |
| 6 | The farmers' market is a joke. I would use public transportation if it ran from Mora - St. Cloud - metro - Duluth - Brainerd. Not much for sidewalks in residential areas. | 10/29/2019 1:44 PM |
| 7 | Shopko was a great loss for Mora. I shopped there at least once a week. Too much ordering online! | 10/24/2019 1:18 PM |
| 8 | People would come but high school is no place to have children grow and learn. Library is old but what a place we have next door, Mora Lake, Mora Lake needs to be embraced and built upon! | 10/23/2019 2:48 PM |
| 9 | We were not born into this city. We adopted it. We love that it was a city founded on pride and heritage and we are doing our part to revitalize it. I only have one point to make: I would like to see a 20-year comprehensive plan to convert "downtown" into something that will continue to generate revenue for both the business owners and for the city. One suggestion would be to convert "downtown" into "Old Town Mora / Gamla Stan Mora" full of quaint Scandinavian ambiance and appeal. This will require effort and funds from the city, not just the business owners who is already barely making ends meet. A few of the following ideas may work but I'm sure there are many more practices that have proven successful in other communities: festivals; thriving farmers markets; cobble stone sidewalks; well maintained historic buildings; monuments worthy of photographing; usable lake access with parking near the downtown area. Fall Fest was a huge success! I would love to see it expanded in the future! These types of events, and others like it, are key in sustaining the like of Old Town Mora. I am proud to call this town home. | 10/22/2019 6:55 PM |
| 10 | None of my children have settled here. All down in the cities. Mostly due to lack of jobs that could be gained to do with their college degrees. Many towns are starting to have dog parks. I would really like to see one here in Mora. My yard is not fenced and my dog would enjoy being able to run free at a dog park. | 10/22/2019 6:44 PM |
| 11 | Stay honest. | 10/22/2019 6:25 PM |
| 12 | Please I feel we differently need something put in were Shopko was and Corbons Pharmacy needs to step it up very slow even with 15 co-works ther. Thank you | 10/22/2019 6:18 PM |
| 13 | clean up the yards!! no cars, boats, ice houses in yard or driveway. enforce grass and weed cutting. it looks terrible. not let people park in their grass and create ruts... park in driveway only | 10/20/2019 10:34 PM |
| 14 | Need to clean up old parts of cemeteries - the stones - so what if many years ago. It cost money to buy back then, no relatives around or alive - please. Tried to find someone - finally did but now - what a mess. | 10/15/2019 8:04 PM |
| 15 | Fix the streets they are embarrassing | 10/15/2019 7:46 PM |
| 16 | Beginning to feel "taxed out" of this town. Taxes have doubled in the 6 yrs we've lived here. We will have to move if it continues at this rate. | 10/15/2019 7:41 PM |
| 17 | Ned McCarty 763-957-0662 | 10/15/2019 7:19 PM |
| 18 | Has the city considered designating some handicap street parking - maybe in front of Ace or the Crystal? There is always jaywalking there - maybe mobility issues are partly to blame? There are lots of crosswalks to use. | 10/15/2019 6:43 PM |
| 19 | Wood Street is busy in the AM with young children walking to Trailview. The road needs a designated walking area from 3rd Street to 7th Street where they can get on the larger sidewalk. The traffic is hectic and dangerous to small children. | 10/11/2019 7:31 PM |
| 20 | Being that Mora is the last sizable town before going farther north, one would expect a greater selection of businesses. Mora needs to actively attract businesses in order to remain viable. | 10/11/2019 7:26 PM |
| 21 | Need a clothing / food discount business (ie. Walmart) to keep people buying in the community. There is no competition or selection for goods and services at this time in Mora. Too many people shopping elsewhere. | 10/11/2019 6:19 PM |
| 22 | City of Mora is a good place to live, so many positives. As an outsider I see so many things - nice people, so many people stepping up to volunteering, good church activity, good city care, clean streets, excellent snow removal. Seems to me that as your people leave so many return to their roots eventually. | 10/11/2019 4:47 PM |
| 23 | We need in Mora is a Aldi store in the Shopco building. | 10/9/2019 8:12 PM |
| 24 | I like Mora. I'm close to the VA in St. Cloud. | 10/9/2019 7:58 PM |
| 25 | roads need improvement | 10/9/2019 7:53 PM |
| 26 | Please put passing lanes on highway 65 abd 23. Cars can only drive 50 mph it seems and passing is very dangerous. Adding occasional passing lanes would solve this. Thanks! | 10/9/2019 7:49 PM |
| 27 | The library could be better and bigger. | 10/9/2019 7:39 PM |
| 28 | We need to change and get new board members on city and school!! | 10/9/2019 6:59 PM |
| 29 | Overall, Mora is a nice place to live. Thanks to all who help make this community a great place. | 10/9/2019 5:57 PM |

City of Mora Comprehensive Plan Survey

| | | |
|----|--|--------------------|
| 30 | FYI the school could save some money by only sending the big color Mustang Express books to the student's family. The rest of us just throw them away. | 10/9/2019 4:57 PM |
| 31 | Fix the streets - manholes should not be 2" (or more) lower than street. | 10/9/2019 4:24 PM |
| 32 | Mora is not a bad town and I love our neighborhood. We don't have kids in school, so I have no comment on schools here. I'm from Wyoming and we can ride or go anywhere there and the trails here are ok, but we are limited. | 10/8/2019 2:34 PM |
| 33 | need more apartment rentals for limited income seniors and families | 10/8/2019 2:27 PM |
| 34 | I cannot stress enough that I hope for the city council and commission boards to reflect the community in years to come. There are some "old time" opinions that hindering our community from growing. With respect to traditions, its does not always mean that the old way of thinking and doing is how we are moving. Growing communities mean growing tax base mean growing opportunities. We can not get there if our initial decision makers and policy organizers are biased and reluctant to any time of change. | 10/7/2019 11:45 PM |
| 35 | For our community to survive, must cut spending / taxes, bring in good paying desirable jobs. | 10/4/2019 8:54 PM |
| 36 | An arborist or tree trimmer must go into the cemetery and clear out all of the dead branches hanging from trees. | 10/4/2019 8:26 PM |
| 37 | I feel that our shopping area needs a lot of improvement. People do not like to navigate Hwy 65 in order to shop each store or business. Even Coborn's is cumbersome to get to their parking lot. We need a full length service road and organized shopping. | 10/4/2019 6:59 PM |
| 38 | Too much garbage home sites have been allowed for years, no one wants to build a nice house next to trash ones. | 10/4/2019 6:32 PM |
| 39 | The trailer court is looking MUCH better! Please continue cleaning out those junky trailers. I would like to see some of the cut-throughs across Hwy 65 shut off and one more stop light added (south of Forest light). Too dangerous on weekend with all the traffic on 65. Thank you! | 10/4/2019 6:20 PM |
| 40 | There are a zillion things to say here but I'll limit my comments to: getting more of our community to volunteer and also getting everyone to feel needed and respected and that they count. | 10/4/2019 5:59 PM |
| 41 | Term limits and transparency are critically important | 10/4/2019 8:27 AM |
| 42 | 1. Plowing is pathetic - Last year missed 2 days of work because they didn't plow the road for 2 days. 2. Fireworks went off all summer long sometimes until after midnight. I leave for work at 4 am after a sleepless night because I can't sleep and my dog gets anxiety from them. Some sound like gun shots on the next street over and not once have we seen any law enforcement in the area. This town is anything but peaceful! | 10/3/2019 9:05 PM |
| 43 | As long as you keep adding businesses on 65, downtown will die out. | 10/3/2019 2:29 PM |
| 44 | I really like Mora, but find myself going elsewhere to eat out, entertainment, shopping. | 10/3/2019 2:00 PM |
| 45 | We have become a haven for the elderly but we are scaring away the 22-45 age ranges. We don't have a bustling night life and if we want that, we have to drive 1 hour away for that. We don't have a decently priced convenience store and if we want that, we have to drive 30 minutes away. We are in prime location to be the new hotspot of music/entertainment located conveniently at the midway point between the cities and Duluth and the range cities. If we don't do something now, they will end up putting up a bypass and the town will die. | 10/3/2019 1:53 PM |
| 46 | We NEED more restaurants and grocery stores. Need clothing and shoe stores! Fun things for children to do. Make a nice beach at Mora Lake / fishing pier. Offer paddle boating or canoeing on Mora Lake! | 10/3/2019 1:52 PM |
| 47 | Don't screw this up. This isn't a metro suburb and shouldn't be. | 10/1/2019 3:54 PM |
| 48 | I don't mean to sound jaded, but I have lived here too long. I have also let vex other places and have seen the mentality of other communities. Generational poverty is alive and well here. Thought processes of "this is the way we have always done it! Why change?" is absolutely the majority. And they are loud. | 9/28/2019 2:09 PM |
| 49 | They need to fix the sheriff's department and get a police department back | 9/27/2019 12:52 AM |
| 50 | The city of Mora will be a ghost town in a short time. I dont have the magical answers-something should have been done long ago. | 9/25/2019 6:11 PM |
| 51 | We really need amenities that encourage people to get outside and meet their neighbors: sidewalks, bike paths and public beaches. | 9/25/2019 6:04 PM |
| 52 | Mora sucks. Wish I never lived here! | 9/25/2019 5:55 PM |
| 53 | Vote YES and YES | 9/25/2019 5:55 PM |
| 54 | If the city could do one thing to stimulate growth, it would be to encourage small business job growth. I believe the main areas that the city can enhance are the sidewalks and bike path, the airport, and developing a "maker space" for new businesses to get started. | 9/25/2019 4:52 PM |
| 55 | I think there is a gap in the job pay. Outside of the school and hospital its either business owners or \$10/hour jobs | 9/25/2019 4:45 PM |
| 56 | Do NOT build a road that connects the frontage road to Union St. That would not be good for downtown as people would race downtown turn at 4 way stop and go to the stop light to beat traffic on 65. I see it now from 23 if the light is red they start speeding down the frontage road and then not stop and turn back on 65 | 9/25/2019 4:00 PM |
